Beauty From The Sea

Spring Fit Facial

Give your skin the spring clean it deserves! Transition your skin from winter to spring using a Chemical Peel. They are a Great way to keep your skin looking its best and are gentle enough to slough away the old & dry and transform your skin to newer, brighter and more youthful looking. Your skin care professional and you will discuss and determine what type of peel is used depending on your desired results.

Type 1: Vita-Cure Micropeel - This pure papaya-based enzyme provides a mild based exfoliation to remove dead skin cells, unclog pores, enhance texture and tone the skin.

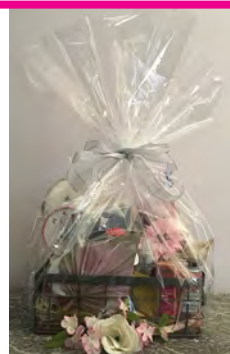

Type 2: Glyco Sea Peel - This gentle glycolic and antioxidant-rich seaweed formula removes dead skin cells, brightens your complexion, and leaves skin glowing & vibrant.

50 minute treatments include light steam, extractions, eye contour gel, neck and shoulder massage and hot towel service.
