This May, we're all about getting your skin  
**Summer Ready!**

## Facial: \$99 Microdermabrasion: 50 Minutes

Want to love the skin you're in? Then this treatment is a **must** on your to do list! Microderm is a non-chemical, non-invasive skin resurfacing treatment that uses microcrystals to remove the outer layers of dead skin cells to reveal a younger, healthier looking glow to the skin. This treatment is ideal for minimizing fine lines and wrinkles, addressing hyper-pigmentation, acne scars, improving skin tone and correcting sun damage.
