SEA SPA GLOW SCRUB by REPECHAGE - Maximize your tanning results by first allowing us to scrub off dry, dead skin cells that can work as a barrier to having GREATER lasting results with your tan. Our Dead Sea Salt Exfoliant infused with seaweed and olive oil will leave your skin feeling energized and refreshed. A quick rinse and then its off to tan!

TANNING - Our award-winning Norvell Spray Booth is our state-of-the-art sunless tanning booth that sprays in less than 3 minutes with easy to follow voice instructions. With virtually no drying time, it gives a complete customized session that lasts 4-7 days, has no streaking and no orange discoloration or fading. It'll leave you with a just stepped off the beach glow!

TANNING STICKER - Both trendy and fun! We offer a variety of fun loving stickers that are fashionable or decorative, to be seen or not - its up to you!
